Earn Career Cards

After completing each job, you will earn a Career Card with more information about the career. Complete the career checklist to keep track of what you like.

The screenshot shows the "Painter" career card interface. At the top left is an icon of a paint can and brush. The title "Painter" is followed by "Not Placed Yet". A "Print" button is in the top right. The main content area is divided into several sections: "Paints walls, cabinets, and furniture", "Education Path" (listing high school diploma or GED), "How much you can earn" (\$15-\$24 an hour), "Skills Required" (listing moving items, steady hands, attention to detail, safe tool use, and patience), "Tools Required" (listing tape, brushes, protective equipment, and paint spraying equipment), and "Working Conditions" (listing indoors/outdoors, standing, climbing ladders, and strong smells). On the right is a "Career Checklist" titled "Is this Career for you?" with seven items, each with a checkbox. At the bottom are two buttons: "View Career Board" and "View Next Job", separated by an "OR" label.
